What To Expect

- ***Your wedding day is a day to remember and I want you to remember it for the RIGHT reasons. I will be there with you throughout the day, initiating a stress-free environment. I want to provide a comfortable experience for you and your lovey so the two of you can enjoy the day together.***
- ***The location for your engagement session is a place of your choosing. I recommend a versatile location which will provide many different looks. I am more than happy to help with choosing the perfect location for your shoot!***
- ***A deposit is required at the time of booking your shoot in order to save the date.***
- ***Deposits are accepted via PayPal or Venmo.***
- ***You have the option of adding a Second Shooter for approximately an additional \$250. Having a second shooter is beneficial to help capture the whole day and not miss a single detail.***
- ***You will receive an email with a digital album of all your edited photos which you will be able to download onto your computer.***
